

Models of memory	Multistore model	Working memory model	Levels of processing model
Glanzer & Cunitz (1962)	Paulescu (1993)	Craik & Tulving (1975)	Types of memory
Procedural memory	Declarative memory	Semantic memory	Episodic memory
Corkin (1968) (HM Case)	Tulving (1989)	Auto-biographical memory	Linton (1975)
Reminiscence bump	Blakemore (1988) (Clive Wearing)	Explanation of forgetting	Theories where info is lost from memory
Theories where info is inaccessible in memory	Displacement	Trace decay	Interference
Retroactive	Proactive	Lack of consolidation	Motivated forgetting (repression)
Retrieval failure	Cue (state) dependent	Context dependent	Jenkins & Dallenbach (1924)
Peterson & Peterson (1959)	Schmidt (2001)	Godden & Baddeley (1975)	Yarnell & Lynch (1970)
Levinger & Clark (1961)
