.....

Heterosexism: assuming that all people are heterosexual, or that gay people are inferior, deviant, sick or in some other way abnormal.

40 points

Sexism: assuming, implying or stating (usually) that women are inferior to men or that all men/women have the same qualities (stereotyping) or should be confined to particular roles and positions

30 points

Cultural Bias: assuming that members of other cultural groups are inferior (**racism**), applying inappropriate ideas to them (**imposed etic**) or judging them by the standards of one's own culture (**ethnocentrism**)

50 points

NB: This is also an illustration from a book I had at school. It was called 'Little Black Sambo'. Really, I'm not having you on.
